Section 1 – Introduction

This directory provides a list of Health Net Medicare Advantage contracted network providers for chiropractic and acupuncture services. Supplemental chiropractic and acupuncture benefits are administered by American Specialty Health Groups, Inc. (ASH Groups). Authorization is not required for your first visit with an ASH Groups contracted provider; you can contact an ASH Groups provider directly to make an appointment.

However, all subsequent covered chiropractic and acupuncture services must be medically necessary and may require verification of medical necessity. Your contracted provider of chiropractic or acupuncture services is responsible for obtaining any required verification of medical necessity.

Not all Health Net members have the supplemental benefit that includes the acupuncture and additional chiropractic benefits. Please note that all Health Net members do have Medicare-covered chiropractic benefits (manual manipulation of the spine to correct subluxation) covered as part of the basic medical benefit. To get detailed information about your chiropractic and acupuncture care coverage, please see your *Evidence of Coverage*.

Supplemental (non-Medicare covered) chiropractic and acupuncture services

For Health Net Seniority Plus (HMO), Health Net Ruby Select (HMO) and Health Net Healthy Heart (HMO) members, there may be limits to the number of visits you can have for supplemental (non-Medicare covered) services. Services received from a provider who does not contract with ASH are not covered.

For Health Net Violet (PPO) members, the level of benefits you receive is based on the provider network you choose. Your cost-sharing for covered provider services, including emergency and urgent care, will vary depending upon the provider you choose to see. In-network coverage will apply when utilizing a provider from the ASH Groups. You can access these services from out-of-network providers; however, you may experience higher out-of-pocket costs. Restrictions may apply to out-of-network providers and there may be limits to the number of visits you can have for non-Medicare covered services.

To get detailed information about whether out-of-network providers should bill you directly or about your health care coverage, please refer to your *Evidence of Coverage*.

The “network providers” listed in this directory have agreed to provide you with your coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider.

Some of your Health Net plan services are covered only if your network provider gets approval in advance (sometimes called “prior authorization”) from us. Please refer to your Health Net plan *Evidence of Coverage* for more information.

Please Note: The providers in the following counties are only available to Health Net Seniority Plus (Employer HMO) Medicare Advantage members:

Contra Costa County

San Joaquin County

San Mateo County

Santa Barbara County

Santa Cruz County

Solano County

For directories listing other Health Net participating network providers, facilities and/or pharmacies, call our Member Services Department at 1-800-275-4737 (for Health Net Seniority Plus Green (HMO), Health Net Seniority Plus Ruby (HMO), Health Net Healthy Heart (HMO), Health Net Ruby Select (HMO), Health Net Gold Select (HMO), and Health Net Seniority Plus (Employer HMO) members) and 1-800-960-4638 (for Health Net Violet (PPO) members), 8:00 a.m. to 8:00 p.m. PT., seven days a week. Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores contratados de la red de Health Net Medicare Advantage para servicios quiroprácticos y de acupuntura. Los beneficios suplementarios de cuidado quiropráctico y acupuntura son administrados por American Specialty Health Groups, Inc. (ASH Groups). No se requiere autorización para su primera consulta con un proveedor contratado por ASH Groups; usted puede comunicarse directamente con un proveedor de ASH Groups para programar una cita.

Sin embargo, todos los servicios quiroprácticos y de acupuntura cubiertos posteriores deben ser médicamente necesarios, y pueden requerir la verificación de la necesidad médica. Su proveedor contratado de servicios quiroprácticos o de acupuntura es responsable de obtener cualquier verificación de la necesidad médica que se requiera.

No todos los afiliados a Health Net cuentan con el beneficio suplementario que incluye beneficios de acupuntura y cuidado quiropráctico adicionales. Tenga presente que todos los afiliados a Health Net cuentan con beneficios quiroprácticos (manipulación manual de la columna vertebral para corregir subluxaciones) cubiertos por Medicare como parte del beneficio médico básico. Para obtener información detallada sobre su cobertura de cuidado quiropráctico y acupuntura, consulte su *Evidencia de Cobertura*.

Servicios quiroprácticos y de acupuntura suplementarios (no cubiertos por Medicare)

Para afiliados a **Health Net Seniority Plus (HMO)**, **Health Net Ruby Select (HMO)** y **Health Net Healthy Heart (HMO)**, es posible que haya límites en la cantidad de consultas que pueda tener para los servicios suplementarios (no cubiertos por Medicare). Los servicios recibidos de un proveedor que no tiene un contrato con ASH no están cubiertos.

Para afiliados a Health Net Violet (PPO), el nivel de beneficios que recibe se basa en la red de proveedores que elige. Sus costos compartidos por los servicios de proveedores cubiertos, incluyendo atención de emergencia y de urgencia, variarán según el proveedor que decida consultar: Se aplicará la cobertura dentro de la red cuando utilice un proveedor de ASH Groups. Puede acceder a estos servicios a través de proveedores fuera de la red; sin embargo, es posible que usted tenga costos de desembolso más altos. Se pueden aplicar restricciones a los proveedores fuera de la red y es posible que haya límites para la cantidad de consultas que pueda tener para los servicios no cubiertos por Medicare.

Para obtener información detallada sobre si un proveedor fuera de la red debe facturarle directamente a usted o sobre su cobertura de cuidado de la salud, consulte su *Evidencia de Cobertura*.

Los “proveedores de la red” enumerados en este directorio han aceptado brindarle su cobertura. Usted puede ir a cualquiera de los proveedores de nuestra red enumerados en este directorio; sin embargo, es posible que algunos servicios requieran una referencia. Si usted ha consultado a un proveedor de la red, no se requiere que continúe con ese mismo proveedor.

Algunos de los servicios de su plan de Health Net están cubiertos sólo si su proveedor de la red obtiene la aprobación por adelantado (a veces denominada “autorización previa”) de parte nuestra. Para obtener más información, consulte la *Evidencia de Cobertura* de su plan de Health Net.
