Section 1 – Introduction

This directory provides a list of Health Net Seniority Plus Sapphire (HMO)'s network providers. To get detailed information about your health care coverage, please see your *Evidence of Coverage* (EOC).

You will have to choose one of our network providers who are listed in this directory to be your **P**rimary **C**are **P**rovider (PCP). The term "PCP" will be used throughout this directory. Generally, you must get your health care services from your PCP. As a member of Health Net Sapphire, you will have a PCP who coordinates all of your care. Your PCP is a health care professional who is trained to give you basic care. He or she is responsible for providing or coordinating covered services while you are a member of Health Net Sapphire.

When you enroll in Health Net Sapphire, you will select a Health Net participating provider group from our network. You'll also choose a PCP from this Health Net participating provider group.

As a Health Net Sapphire member, all of your routine health care is provided and arranged by your PCP. Your specialty care, X-rays, laboratory tests, therapy, medications, hospital admissions, and follow-up care will also be provided, authorized or coordinated by your PCP. If you go to a doctor, hospital or other provider without the approval of your PCP – except in an emergency or when you need urgent care, out-of-area renal dialysis, or certain gynecological care or other self-referred services – you will be responsible for paying any charges for these services. Neither Medicare nor Health Net will pay for non-emergency services or non-urgently needed care without the prior authorization of your PCP.

The "network providers" listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from out-of-network providers. Even though your PCP is trained to handle most of your common health needs, there may be times when he or she feels you need more specialized treatment. In that case, you may receive a referral (written permission) to see a specialist. Specialists are doctors who provide health care services for a specific disease or part of the body. Examples include oncologists (care for cancer patients), cardiologists (care for the heart) and orthopedists (care for bones).

Some of your Health Net plan services are covered only if your doctor or other network provider gets approval in advance (sometimes called "prior authorization") from us.

For Out-of-Area Coverage – Services authorized by Health Net and other services contained in your Health Net plan's EOC document (also known as a member contract or subscriber agreement) will be covered. You must use your plan providers except in emergency or urgent care situations or for out-of-area renal dialysis or other services. If you obtain routine care from out-of-network providers, neither Medicare nor Health Net will be responsible for the costs. Please refer to your Health Net plan EOC for more information.

In an emergency, call "911" or have someone take you to the emergency room located within any of the hospitals listed in Section 2 of this Provider Directory.

Please refer to Section 2 of this Provider Directory for a complete listing of available hospitals, urgent care facilities and/or refer to the Participating Physician Groups and Specialists Listing for available facilities.

Emergency care can always be obtained in or out of the service area from the nearest available provider. When in the service area, you must use plan providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. In addition, when out of the service area, you can obtain dialysis treatment from any qualified dialysis provider.

If you obtain routine care from out-of-network providers, neither Medicare nor Health Net will be responsible for the costs. When you receive emergency or urgently needed care from a provider who is not part of our network, you are only responsible for paying your share of the cost, not for the entire cost. You should ask the provider to bill the plan for our share of the cost.

- If you pay the entire amount yourself at the time you receive the care, you need to ask us to pay you back for our share of the cost. Send us the bill, along with documentation of any payments you have made.
- At times, you may get a bill from the provider asking for payment that you think you do not owe. Send us this bill, along with documentation of any payments you have already made to:

  Health Net Medicare Advantage
  PO Box 14703
  Lexington, KY 40512-4703

- If the provider is owed anything, we will pay the provider directly.
- If you have already paid more than your share of the cost of the service, we will determine how much you owed and pay you back for our share of the cost.

Post-stabilization services are medically necessary covered services related to an emergency medical condition that are provided after you are stabilized in order to maintain the stabilized condition. Health Net covers post-stabilization care following the administration of emergency services to stabilize or evaluate an emergency medical condition.

If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow. Please refer to your Health Net plan's EOC for more detailed information.

If you obtain routine care from out-of-network providers, neither Medicare nor Health Net will be responsible for the costs. Please refer to your Health Net plan's EOC for more information.

Sección 1 – Introducción

Este directorio proporciona una lista de los proveedores de la red de Health Net Seniority Plus Sapphire (HMO). Para obtener información detallada sobre su cobertura de cuidado de la salud, consulte su *Evidencia de Cobertura* (por sus siglas en inglés, EOC).

Tendrá que elegir a uno de los proveedores de nuestra red enumerados en este directorio para que sea su Proveedor de Atención Primaria (**P**rimary **C**are **P**rovider, PCP). En todo este directorio se usará el término "Proveedor de Atención Primaria". Por lo general, debe obtener sus servicios de cuidado de la salud de su Proveedor de Atención Primaria. Como afiliado a Health Net Sapphire, usted tendrá un Proveedor de Atención Primaria que coordina toda su atención. Su Proveedor de Atención Primaria es un profesional para el cuidado de la salud que está capacitado para brindarle atención básica. Es responsable de proporcionar o coordinar los servicios cubiertos mientras usted esté afiliado a Health Net Sapphire.

Cuando se inscriba en Health Net Sapphire, se seleccionará una grupo proveedor participante en nuestra red. También elegirá a un Proveedor de Atención Primaria de este grupo de proveedores participantes de Health Net.

Como afiliado a Health Net Sapphire, todo su cuidado de la salud de rutina es proporcionado y dispuesto por su Proveedor de Atención Primaria. La atención de especialidades, los rayos X, las pruebas de laboratorio, la terapia, los medicamentos, las admisiones hospitalarias y la atención de seguimiento que usted necesite también serán proporcionados, autorizados o coordinados por su Proveedor de Atención Primaria. Si recibe servicios de un médico, un hospital u otro proveedor sin la aprobación de su Proveedor de Atención Primaria —excepto en casos de emergencia o cuando necesita atención de urgencia, diálisis renal fuera del área, o cierta atención ginecológica u otros servicios que permiten autorremisiones—, usted será responsable del pago de todos los cargos de dichos servicios. Ni Medicare ni Health Net pagarán los servicios que no son de emergencia ni la atención no requerida de urgencia sin la autorización previa de su Proveedor de Atención Primaria.

Los "proveedores de la red" enumerados en este directorio han aceptado brindarle sus servicios de cuidado de la salud. Usted puede ir a cualquiera de los proveedores de nuestra red enumerados en este directorio; sin embargo, es posible que algunos servicios requieran una referencia. Si usted ha consultado a un proveedor de la red, no se requiere que continúe con ese mismo proveedor. En algunos casos, puede obtener servicios cubiertos de proveedores que no pertenecen a la red. Aunque su Proveedor de Atención Primaria está capacitado para atender la mayoría de sus necesidades de salud comunes, es posible que algunas veces considere que usted necesita un tratamiento más especializado. En ese caso, posiblemente le proporcione una referencia (permiso escrito) para que consulte a un especialista. Los especialistas son médicos que brindan servicios de cuidado de la salud para una enfermedad o parte del cuerpo específicas. Algunos ejemplos incluyen oncólogos (atención para pacientes con cáncer), cardiólogos (atención para el corazón) y traumatólogos (atención para los huesos).

Algunos de los servicios de su plan de Health Net están cubiertos sólo si su médico u otro proveedor de la red obtienen la aprobación por adelantado (a veces denominada "autorización previa") de parte nuestra.

Para la Cobertura Fuera del Área – Estarán cubiertos los servicios autorizados por Health Net, así como otros servicios incluidos en el documento EOC de su plan de Health Net (también conocido como contrato de afiliación o acuerdo del suscriptor). Usted está obligado a utilizar los proveedores de su plan, excepto en situaciones de atención de emergencia o atención de urgencia, o para diálisis renal fuera del área u otros servicios. Si usted recibe atención de rutina de proveedores que no pertenecen a la red, ni Medicare ni Health Net serán responsables de los costos. Para obtener más información, consulte la EOC de su plan de Health Net.

En una emergencia, llame al "911" o solicite a alguien que le lleve a la sala de emergencias ubicada dentro de cualquiera de los hospitales enumerados en la Sección 2 de este Directorio de Proveedores.

Consulte la Sección 2 de este Directorio de Proveedores para obtener una lista completa de los hospitales y centros de atención de urgencia disponibles, y/o consulte el Listado de Grupos Médicos y Especialistas Participantes para conocer los centros disponibles.

La atención de emergencia siempre puede obtenerse dentro o fuera del área de servicio de parte del proveedor más cercano disponible. Si se encuentra dentro del área de servicio, debe utilizar proveedores del plan para recibir atención de urgencia. Si se encuentra fuera del área de servicio, la atención de urgencia puede obtenerse de parte del primer proveedor disponible. Además, si se encuentra fuera del área de servicio, puede recibir tratamiento de diálisis de parte de cualquier proveedor de diálisis calificado.

Si usted recibe atención de rutina de proveedores que no pertenecen a la red, ni Medicare ni Health Net serán responsables de los costos. Cuando recibe atención de emergencia o atención requerida de urgencia de un proveedor que no forma parte de nuestra red, usted sólo es responsable de pagar su parte del costo, no el costo total. Debe solicitar al proveedor que facture al plan nuestra parte del costo.

- Si paga la cantidad total usted mismo en el momento en que recibe la atención, debe solicitarnos que le reembolsemos nuestra parte del costo. Envíenos la factura, junto con la documentación de cualquier pago que haya realizado.
- A veces, puede recibir una factura del proveedor en la que se le solicita un pago que usted considera que no adeuda. Envíenos dicha factura, junto con la documentación de cualquier pago que ya haya realizado a:

  Health Net Medicare Advantage
  PO Box 14703
  Lexington, KY 40512-4703

- Si se le adeuda alguna cantidad al proveedor, le pagaremos directamente a dicho proveedor.
- Si usted ya pagó más que su parte del costo del servicio, determinaremos cuánto adeudaba y le reembolsaremos nuestra parte del costo.

Los servicios posteriores a la estabilización son servicios cubiertos, médicamente necesarios, relacionados con una condición médica de emergencia y proporcionados después de que su condición se estabiliza a fin de mantenerla estabilizada. Health Net cubre la atención posterior a la estabilización que se brinda después de proporcionar servicios de emergencia para estabilizar o evaluar una condición médica de emergencia.

Si su atención de emergencia es proporcionada por proveedores que no pertenecen a la red, intentaremos disponer su atención a través de proveedores de la red ni bien su condición médica y las circunstancias lo permitan. Para obtener información más detallada, consulte la EOC de su plan de Health Net.

Si usted recibe atención de rutina de proveedores que no pertenecen a la red, ni Medicare ni Health Net serán responsables de los costos. Para obtener más información, consulte la EOC de su plan de Health Net.
