## Providers

### Getting started in Health Net Cal MediConnect

This section explains key terms you'll see in our Provider and Pharmacy Directory.

- **Providers** are health care professionals and support providers such as doctors, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long-term services and supports, supplies, prescription drugs, equipment and other services.
  - The term *providers* also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long-term services and supports.
  - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a doctor who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need to see a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
  - **Oncologists** care for patients with cancer.
  - **Cardiologists** care for patients with heart conditions.

**?** **If you have questions**, please call Health Net Cal MediConnect at 1-855-464-3572 (TTY: 711), Monday through Friday, 8:00 a.m. to 8:00 p.m. The call is free. **For more information**, visit [www.healthnet.com/calmediconnect](http://www.healthnet.com/calmediconnect).

- **Orthopedists** care for patients with certain bone, joint or muscle conditions.
- A **Medical Group** is a group of PCPs, specialists, and other health care providers that work together and are contracted to work with our plan.
- You may need a **referral** to see a specialist or someone that is not your PCP. A **referral** means that your network PCP must give you approval before you can see the other provider. If you don't get a referral, Health Net Cal MediConnect may not cover the service.
  - Referrals from your network PCP are not needed for:
    - » Emergency care;
    - » Urgently needed care;
    - » Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; or
    - » Services from a women's health specialist.
  - Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services, even if they are out of our plan's network.
  - More information on referrals is available in Chapter 3 of the Member Handbook.
- You also have access to a Care Coordinator and care team that you help choose.
  - A **Care Coordinator** helps you manage your medical providers and services.
  - Your **Care Team** is a group of people that will get to know your needs and work with you to write a **Personal Care Plan**. Your Care Team will talk with you about the services that are right for you. The goal is to support your health care wishes and help you regain your health and improve your abilities.
  - Your Care Team starts with your Primary Care Provider and Care Coordinator. Other team members, may include a behavioral health or social service expert, physician specialist, or dietician.
  - A **Personal Care Plan** is the list of health care goals you agree to work on with your Care Team. These goals include:
    - Your physical health care;
    - Your mental health care;
    - Long-term services and supports. (These are for people who need help to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine.)
  - Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that he or she can reduce any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

**?** **If you have questions**, please call Health Net Cal MediConnect at 1-855-464-3572 (TTY: 711), Monday through Friday, 8:00 a.m. to 8:00 p.m. The call is free. **For more information**, visit [www.healthnet.com/calmediconnect](http://www.healthnet.com/calmediconnect).

## Choosing a Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you will need to choose a Primary Care Provider or a PCP. You may be able to have a specialist act as your PCP. The specialist must be willing and able to provide the care you need. If you need to request a specialist to be your PCP, call our Member Services at 1-855-464-3572 (TTY: 711).

Our plan's PCPs are affiliated with medical groups. When you choose your PCP, you are also choosing the affiliated medical group. This means that your PCP will be referring you to specialists and services that are also affiliated with his or her medical group.

- If there is a particular specialist or hospital that you want to use, it is important to see whether they are affiliated with your PCP's medical group. You can look in this directory, or ask Health Net Cal MediConnect Member Services to check to see if the PCP you want makes referrals to that specialist or uses that hospital.

To choose a PCP, go to the list of providers on page 19 and choose a provider:

- that you use now, *or*
- who has been recommended by someone you trust, *or*
- whose offices are easy for you to get to.

- If you want help in choosing a PCP, please call Member Services at 1-855-464-3572 (TTY: 711). A live person is here to talk with you Monday through Friday, 8:00 a.m. to 8:00 p.m. At other times – including Saturday, Sunday and federal holidays – you can leave a voicemail. We will return your call the following business day. The call is free. Or, visit [www.healthnet.com/calmediconnect](http://www.healthnet.com/calmediconnect).
- If you have questions about whether we will pay for any medical service or care that you want or need, call Member Services and ask **before** you get the service or care.

Long-term services and supports are help for people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

These services include Community-Based Adult Services (CBAS) and In-Home Supportive Services (IHSS).

### **Identifying Providers in Health Net Cal MediConnect’s Network**

You must get all of your covered services from providers within our network that are affiliated with your PCP’s medical group. If you go to providers who are not in Health Net Cal MediConnect’s network and are not affiliated with your PCP’s medical group (without prior authorization or approval from us), you will have to pay the bill.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan or your PCP’s medical group if Health Net Cal MediConnect gives you permission first.

You may need a referral to see someone who is not a Primary Care Provider. There is more information about referrals in the “Getting started in Health Net Cal MediConnect” section of this Directory on page 5.

- You may change providers within the network at any time. If you have been going to one network provider, you do not have to keep going to that same provider. For some providers, you may need a referral from your PCP.
- Remember, our plan’s PCPs are affiliated with medical groups. If you change your PCP, you may also be changing medical groups. When you ask for the change, be sure to tell Member

# Pharmacies

This part of the Directory provides a list of pharmacies in Health Net Cal MediConnect's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside San Diego County in which you live. You may also fill your prescriptions at these pharmacies. Please contact Health Net Cal MediConnect at 1-855-464-3572 (TTY: 711), Monday through Friday, 8:00 a.m. to 8:00 p.m. for additional information. At other times – including Saturday, Sunday and federal holidays – you can leave a voicemail. We will return your call the following business day.

◆ Health Net Cal MediConnect members must use network pharmacies to get prescription drugs.

– You must use network pharmacies except in emergency or urgent care situations. If you go to an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out-of-pocket for the service. Read the Health Net Cal MediConnect Member Handbook for more information.

◆ Some network pharmacies may not be listed in this Directory.

– Some network pharmacies may have been added or removed from our plan after this Directory was published.

For up-to-date information about Health Net Cal MediConnect network pharmacies in your area, please visit our website at [www.healthnet.com/calmediconnect](http://www.healthnet.com/calmediconnect), or call Member Services at 1-855-464-3572 (TTY: 711). # Mail Order Pharmacy

You can get prescription drugs shipped to your home through our network mail order delivery program. The pharmacy must get your approval before shipping any drugs to you.

Typically, you should expect to get your prescription drugs within 10 days from the time that the mail order pharmacy gets the order. If you do not get your prescription drug(s) within this time, if you would like to cancel an automatic order, or if you need to ask for a refund for prescriptions you got that you did not want or need, please contact us at 1-855-464-3572 (TTY: 711). A live person is here to talk with you Monday through Friday, 8:00 a.m. to 8:00 p.m. At other times – including Saturday, Sunday and federal holidays – you can leave a voicemail. We will return your call the following business day. The call is free.
