Health Net Medicare Advantage (PPO) members

Health Net Violet Option 1 (PPO) and Health Net Aqua (PPO) plans include benefits for complementary/alternative care including routine chiropractic, acupuncture and naturopathy services.

Additionally, some Health Net Medicare Advantage PPO plan members have access to non-Medicare covered dental and/or routine vision services through their plan and/or an optional supplemental benefit package with a separate premium.

Your Health Net Medicare Advantage PPO plan gives you two levels of benefits and many choices of providers.

- In-network coverage – applies when you receive covered services from providers in our PPO network. Complementary/alternative, dental and routine vision care providers who are contracted with Health Net are called in-network or network providers. In-network providers are listed in this directory.
- Out-of-network coverage – applies when you receive covered services from providers who are qualified to provide the benefit in question and who accept the plan's terms and conditions of payment, but do not participate in our WellNet network. These providers are referred to as out-of-network providers. It is important to note that utilizing an out-of-network provider will typically result in higher out-of-pocket costs for covered services.

The level of benefits or coverage you receive is based on the provider you choose.

The in-network providers listed in this directory have agreed to provide you with your complementary/alternative, dental and routine vision care coverage. You may go to any of our in-network providers listed in this directory. If you have been going to one network provider, you are not required to continue going to that same provider. You receive your plan's in-network benefits when you receive covered services from a Health Net network provider and follow any applicable guidelines, such as obtaining prior authorization when it is required.

Refer to your Health Net Medicare Advantage PPO *Evidence of Coverage* to determine which in-network services require prior authorization.

Complementary/alternative care services received out-of-network must be furnished by a provider qualified to provide the benefit in question and who accepts the plan's terms and conditions of payment. For out-of-network services, prior authorization is recommended but not required.

When you receive emergency or urgently needed care from a provider who is not part of our network and you pay the entire amount yourself at the time you receive the care, you need to ask us to pay you back for our share of the cost. Send us the bill along with documentation of any payments you have made.

At times, you may get a bill from the provider asking for payment that you think you do not owe. Send us this bill along with documentation of any payments you have already made to:

Health Net Life Insurance Company
PO Box 14130
Lexington, KY 40512

To get detailed information if an out-of-network provider should bill you directly or about your health care coverage, please refer to your EOC.

For Health Net Medicare Advantage (HMO/HMO SNP) members

Emergency care can always be obtained in or out of the service area from the nearest available provider. In an emergency, call “911” or have someone take you to a hospital emergency room. In an emergency, you may use an in-network or out-of-network emergency care facility.

When in the service area, you must use in-network providers for urgent care. When out of the service area, urgent care may be obtained from the first available provider. When you receive emergency or urgently needed care from a provider who is not part of our network and you pay the entire amount yourself at the time you receive the care, you need to ask us to pay you back for our share of the cost. Send us the bill along with documentation of any payments you have made.

For routine vision care, Ruby (HMO) and Jade (HMO SNP) members can choose to use any vision provider who accepts them as a patient.

Ruby (HMO): For Ruby members who purchase the Comprehensive Dental and Hearing optional supplemental benefit or the Preventive Dental and Hearing optional supplemental benefit for an additional monthly premium, they can choose to use any dental provider who accepts them as a patient.

Jade (HMO SNP): For preventive dental benefits, or for Jade members who purchase the DPPO Extended Comprehensive Dental optional supplemental benefit for an additional monthly premium, Jade members can choose to use any dental provider who accepts them as a patient.

Afiliados a Health Net Medicare Advantage (PPO)

Los planes Health Net Violet Option 1 (PPO) y Health Net Aqua (PPO) ofrecen beneficios de cuidado complementario/alternativo, incluyendo servicios quiroprácticos, de acupuntura y de naturopatía de rutina.

Además, algunos afiliados a los planes Health Net Medicare Advantage PPO tienen acceso a servicios de la vista de rutina y/o dentales no cubiertos por Medicare a través de su plan y/o un paquete de beneficios suplementarios opcionales con una prima aparte.

Su plan Health Net Medicare Advantage PPO le brinda dos niveles de beneficios y muchas opciones de proveedores.

- Cobertura dentro de la red: se aplica cuando recibe servicios cubiertos de parte de proveedores de nuestra red de PPO. Los proveedores de cuidado de la vista de rutina, atención dental y cuidado complementario/alternativo que tienen contrato con Health Net se denominan proveedores de la red o dentro de la red. Los proveedores dentro de la red están enumerados en este directorio.
- Cobertura fuera de la red: se aplica cuando recibe servicios cubiertos de parte de proveedores calificados para proporcionar el beneficio en cuestión y que aceptan los términos y condiciones de pago del plan, pero no participan en nuestra red WellNet. Se hace referencia a estos proveedores como proveedores fuera de la red. Es importante tener en cuenta que el uso de un proveedor fuera de la red generalmente implicará costos de desembolso más altos por los servicios cubiertos.

El nivel de beneficios o de cobertura que recibe se basa en el proveedor que elige.

Los proveedores dentro de la red enumerados en este directorio han aceptado brindarle su cobertura de cuidado de la vista de rutina, atención dental y cuidado complementario/alternativo. Puede ir a cualquiera de los proveedores dentro de la red enumerados en este directorio. Si usted ha consultado a un proveedor de la red, no se requiere que continúe con ese mismo proveedor. Usted recibe los beneficios dentro de la red de su plan cuando obtiene servicios cubiertos de un proveedor de la red de Health Net y sigue cualquier pauta aplicable, como obtener la autorización previa cuando se requiere.

Consulte su *Evidencia de Cobertura* de Health Net Medicare Advantage PPO para determinar qué servicios dentro la red requieren autorización previa.

Los servicios de cuidado complementario/alternativo recibidos fuera de la red deben ser prestados por un proveedor calificado para proporcionar el beneficio en cuestión y que acepte los términos y condiciones de pago del plan. Para los servicios fuera de la red, se recomienda una autorización previa, aunque no es obligatoria.

Cuando recibe atención de emergencia o requerida de urgencia de un proveedor que no forma parte de nuestra red y usted mismo paga la cantidad total en el momento en que recibe la atención, debe solicitarnos que le reembolsemos nuestra parte del costo. Envíenos la factura, junto con la documentación de cualquier pago que haya realizado.

A veces, puede recibir una factura del proveedor en la que se le solicita un pago que usted considera que no adeuda. Envíenos dicha factura, junto con la documentación de cualquier pago que ya haya realizado a:

Health Net Life Insurance Company
PO Box 14130
Lexington, KY 40512

Para obtener información detallada sobre si un proveedor fuera de la red debe facturarle directamente a usted o sobre su cobertura del cuidado de la salud, consulte su EOC.

Para los afiliados a Health Net Medicare Advantage (HMO/HMO SNP)

La atención de emergencia siempre puede obtenerse dentro o fuera del área de servicio de parte del proveedor más cercano disponible. En una emergencia, llame al “911” o solicite a alguien que le lleve a la sala de emergencias de un hospital. En tal caso, puede usar un centro de atención de emergencias dentro o fuera de la red.

Si se encuentra dentro del área de servicio, debe utilizar proveedores dentro de la red para recibir atención de urgencia. Si se encuentra fuera del área de servicio, la atención de urgencia puede obtenerse de parte del primer proveedor disponible. Cuando recibe atención de emergencia o requerida de urgencia de un proveedor que no forma parte de nuestra red y usted mismo paga la cantidad total en el momento en que recibe la atención, debe solicitarnos que le reembolsemos nuestra parte del costo.
