SECTION I

INTRODUCTION TO SUMMARY OF BENEFITS

Thank you for your interest in Health Net Ruby (HMO). Our plan is offered by HEALTH NET HEALTH PLAN OF OREGON, INC. which is also called Health Net Health Plan of Oregon, Inc., a Medicare Advantage Health Maintenance Organization (HMO) that contracts with the Federal government. This Summary of Benefits tells you some features of our plan. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of our benefits, please call Health Net Ruby (HMO) and ask for the "Evidence of Coverage."

YOU HAVE CHOICES IN YOUR HEALTH CARE

As a Medicare beneficiary, you can choose from different Medicare options. One option is the Original (Fee-for-Service) Medicare Plan. Another option is a Medicare health plan, like Health Net Ruby (HMO). You may have other options too. You make the choice. No matter what you decide, you are still in the Medicare Program.

You may join or leave a plan only at certain times. Please call Health Net Ruby (HMO) at the telephone number listed at the end of this introduction or 1-800-MEDICARE (1-800-633-4227) for more information. TTY/TDD users

should call 1-877-486-2048. You can call this number 24 hours a day, 7 days a week.

HOW CAN I COMPARE MY OPTIONS?

You can compare Health Net Ruby (HMO) and the Original Medicare Plan using this Summary of Benefits. The charts in this booklet list some important health benefits. For each benefit, you can see what our plan covers and what the Original Medicare Plan covers.

Our members receive all of the benefits that the Original Medicare Plan offers. We also offer more benefits, which may change from year to year.

WHERE IS HEALTH NET RUBY (HMO) AVAILABLE?

The service area for this plan includes: Benton, Clackamas, Lane, Linn, Marion, Multnomah, Polk, Washington, Yamhill Counties, OR. You must live in one of these areas to join the plan.

WHO IS ELIGIBLE TO JOIN HEALTH NET RUBY (HMO)?

You can join Health Net Ruby (HMO) if you are entitled to Medicare Part A and enrolled in Medicare Part B and live in the service area. However, individuals with End-Stage Renal Disease generally are not eligible to enroll in Health Net Ruby (HMO) unless they are members of our organization and have been since their dialysis began.

CAN I CHOOSE MY DOCTORS?

Health Net Ruby (HMO) has formed a network of doctors, specialists, and hospitals. You can only use doctors who are part of our network. The health providers in our network can change at any time.

You can ask for a current provider directory. For an updated list, visit us at <https://www.healthnet.com/medicare>. Our customer service number is listed at the end of this introduction.

WHAT HAPPENS IF I GO TO A DOCTOR WHO'S NOT IN YOUR NETWORK?

If you choose to go to a doctor outside of our network, you must pay for these services yourself. Neither the plan nor the Original Medicare Plan will pay for these services except in limited situations (for example, emergency care).

WHERE CAN I GET MY PRESCRIPTIONS IF I JOIN THIS PLAN?

Health Net Ruby (HMO) has formed a network of pharmacies. You must use a network pharmacy to receive plan benefits. We may not pay for your prescriptions if you use an out-of-network pharmacy, except in certain cases. The pharmacies in our network can change at any time. You can ask for a pharmacy directory or visit us at <https://www.healthnet.com/medicare/pharmacy>. Our customer service number is listed at the end of this introduction.

Health Net Ruby (HMO) has a list of preferred pharmacies. At these pharmacies, you may get your drugs at a lower co-pay or co-insurance. You may go to a non-preferred pharmacy, but you may have to pay more for your prescription drugs.

WHAT IF MY DOCTOR PRESCRIBES LESS THAN A MONTH'S SUPPLY?

In consultation with your doctor or pharmacist, you may receive less than

a month's supply of certain drugs. Also, if you live in a long-term care facility, you will receive less than a month's supply of certain brand drugs.

Dispensing fewer drugs at a time can help reduce cost and waste in the Medicare Part D program, when this is medically appropriate.

The amount you pay in these circumstances will depend on whether you are responsible for paying coinsurance (a percentage of the cost of the drug) or a copay (a flat dollar amount for the drug). If you are responsible for coinsurance for the drug, you will continue to pay the applicable percentage of the drug cost. If you are responsible for a copay for the drug, a "daily cost-sharing rate" will be applied. If your doctor decides to continue the drug after a trial period, you should not pay more for a month's supply than you otherwise would have paid. Contact your plan if you have questions about cost-sharing when less than a one-month supply is dispensed.

DOES MY PLAN COVER MEDICARE PART B OR PART D DRUGS?

Health Net Ruby (HMO) does cover both Medicare Part B prescription drugs and Medicare Part D prescription drugs.

WHAT IS A PRESCRIPTION DRUG FORMULARY?

Health Net Ruby (HMO) uses a formulary. A formulary is a list of drugs covered by your plan to meet patient needs. We may periodically add, remove, or make changes to coverage

limitations on certain drugs or change how much you pay for a drug. If we make any formulary change that limits our members' ability to fill their prescriptions, we will notify the affected members before the change is made.

We will send a formulary to you and you can see our complete formulary on our Web site at

<https://www.healthnet.com/medicare/pharmacy>.

If you are currently taking a drug that is not on our formulary or subject to additional requirements or limits, you may be able to get a temporary supply of the drug. You can contact us to request an exception or switch to an alternative drug listed on our formulary with your physician's help. Call us to see if you can get a temporary supply of the drug or for more details about our drug transition policy.

HOW CAN I GET EXTRA HELP WITH MY PRESCRIPTION DRUG PLAN COSTS OR GET EXTRA HELP WITH OTHER MEDICARE COSTS?

You may be able to get extra help to pay for your prescription drug premiums and costs as well as get help with other Medicare costs. To see if you qualify for getting extra help, call:

* 1-800-MEDICARE (1-800-633-4227). TTY/TDD users should call 1-877-486-2048, 24 hours a day/7 days a week;

WHAT ARE MY PROTECTIONS IN THIS PLAN?

All Medicare Advantage Plans agree to stay in the program for a full calendar year at a time. Plan benefits and cost-sharing may change from calendar year to calendar year. Each year, plans can decide whether to continue to participate with Medicare Advantage. A plan may continue in their entire service area (geographic area where the plan accepts members) or choose to continue only in certain areas. Also, Medicare may decide to end a contract with a plan. Even if your Medicare Advantage Plan leaves the program, you will not lose Medicare coverage. If a plan decides not to continue for an additional calendar year, it must send you a letter at least 90 days before your coverage will end. The letter will explain your options for Medicare coverage in your area.

As a member of Health Net Ruby (HMO), you have the right to request an organization determination, which includes the right to file an appeal if we deny coverage for an item or service, and the right to file a grievance. You

have the right to request an organization determination if you want us to provide or pay for an item or service that you believe should be covered. If we deny coverage for your requested item or service, you have the right to appeal and ask us to review our decision. You may ask us for an expedited (fast) coverage determination or appeal if you believe that waiting for a decision could seriously put your life or health at risk, or affect your ability to regain maximum function. If your doctor makes or supports the expedited request, we must expedite our decision. Finally, you have the right to file a grievance with us if you have any type of problem with us or one of our network providers that does not involve coverage for an item or service. If your problem involves quality of care, you also have the right to file a grievance with the Quality Improvement Organization (QIO) for your state. Please refer to the Evidence of Coverage (EOC) for the QIO contact information.

As a member of Health Net Ruby (HMO), you have the right to request a coverage determination, which includes the right to request an exception, the right to file an appeal if we deny coverage for a prescription drug, and the right to file a grievance. You have the right to request a coverage determination if you want us to cover a Part D drug that you believe should be covered. An exception is a type of coverage determination. You may ask us for an exception if you believe you need a drug that is not on our list of covered drugs or believe you

should get a non-preferred drug at a lower out-of-pocket cost. You can also ask for an exception to cost utilization rules, such as a limit on the quantity of a drug. If you think you need an exception, you should contact us before you try to fill your prescription at a pharmacy. Your doctor must provide a statement to support your exception request. If we deny coverage for your prescription drug(s), you have the right to appeal and ask us to review our decision. Finally, you have the right to file a grievance if you have any type of problem with us or one of our network pharmacies that does not involve coverage for a prescription drug.
