Summary of Benefits

January 1, 2016 – December 31, 2016

This booklet gives you a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the "Evidence of Coverage."

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare health plan (such as **Health Net Seniority Plus Sapphire Premier (HMO)**).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Health Net Seniority Plus Sapphire Premier (HMO)** covers and what you pay.

- If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on <http://www.medicare.gov>.
- If you want to know more about the coverage and costs of Original Medicare, look in your current "**Medicare & You**" handbook. View it online at <http://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Which doctors, hospitals, and pharmacies can I use?

Health Net Seniority Plus Sapphire Premier (HMO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's provider directory at our website (www.healthnet.com/medicare).

You can see our plan's pharmacy directory at our website (<https://www.healthnet.com/medicare/pharmacy>).

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers - and *more*.

- **Our plan members get *all* of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare.** For others, you may pay less.
- **Our plan members also get *more than what is* covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, <https://www.healthnet.com/medicare/pharmacy>.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of six “tiers.” You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible: Initial Coverage, Coverage Gap, and Catastrophic Coverage.
