This booklet provides you with a summary of what we cover and your cost-sharing. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please call us at the number listed on the last page, and ask for the "Evidence of Coverage"(EOC), or you may access the EOC on our website at [www.healthnet.com/medicare](http://www.healthnet.com/medicare).

You are eligible to enroll in Bridgeway Health Solutions Medicare Advantage (HMO) if:

- You are entitled to Medicare Part A and enrolled in Medicare Part B. Members must continue to pay their Medicare Part B premium, if not otherwise paid for under Medicaid or by another third party.
- You permanently reside in the service area of the plan (in other words, your permanent residence is within the Bridgeway Health Solutions Medicare Advantage (HMO) service area county). Our service area includes the following county in Arizona: Pinal County.
- You do not have end-stage renal disease (ESRD). (Exceptions may apply for individuals who develop ESRD while enrolled in a Health Net commercial or group health plan, or a Medicaid plan.)

The Bridgeway Health Solutions Medicare Advantage (HMO) plan gives you access to our network of highly skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. You can ask for a current Provider Directory or, for an up-to-date list of network providers, visit [www.healthnet.com/medicareplans](http://www.healthnet.com/medicareplans). (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-plan providers, neither Medicare nor Health Net will be responsible for the costs.)

You can see our plan's provider directory at our website at [www.healthnet.com/medicare](http://www.healthnet.com/medicare).

This Bridgeway Health Solutions Medicare Advantage (HMO) plan also includes Part D coverage, which provides you with the ease of having both your medical and prescription drug needs coordinated through a single convenient source.

### Outpatient Prescription Drugs

<b>Deductible Phase</b>	<p><b>\$400 Deductible. Deductible applies to Tiers 1 through 6.</b></p> <p>You begin in this payment phase when you fill your first prescription of the calendar year. During this phase, you pay the full cost of your drugs. You generally stay in this phase until you (or others on your behalf) have paid your deductible. Once you have paid your deductible, you move to the next payment phase (Initial Coverage). If you receive “Extra Help” to pay for your prescription drugs, your deductible amount will be either \$0 or \$82 depending on the level of “Extra Help” you receive. If you are not eligible for “Extra Help,” refer to the Evidence of Coverage, Chapter 6, for outpatient prescription drug cost-sharing information.</p>
-------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

### Outpatient Prescription Drugs

<p><b>Initial Coverage Phase</b> <b>(After you pay your deductible, if applicable)</b></p> <p>Cost-Sharing may change depending on the pharmacy you choose (i.e., standard, mail-order, Long Term Care or Home Infusion), whether you receive a 30 or 90 day supply, and when you enter another phase of the Part D benefit. For more information about the costs for Long Term Supply, Home Infusion or additional pharmacy-specific cost-sharing and the phases of the benefit, please call us or access our Evidence of Coverage online.</p>	<p>After you have met your deductible (if applicable), the plan pays its share of the cost of your drugs and you pay your share of the cost. You generally stay in this phase until the amount of your year-to-date “total drug costs” reaches \$3,700 in 2017. “Total drug costs” is the total of all payments made for your covered Part D drugs. It <u>includes</u> what the plan pays, what you pay. Once your “total drug costs” reach \$3,700 in 2017 you move to the next payment phase (Coverage Gap).</p>		
		<b>Standard Retail Rx 30-day supply</b>	<b>Mail Order 90-day supply</b>
	Tier 1: Preferred Generic	25%	25%
	Tier 2: Generic	25%	25%
	Tier 3: Preferred Brand	25%	25%
	Tier 4: Non-Preferred Brand	25%	25%
	Tier 5: Specialty	25%	25%
	Tier 6: Select Care Drugs	\$0 copay	\$0 copay

## Outpatient Prescription Drugs

<b>Coverage Gap Phase</b>	<p>During this payment phase, you receive a 50% manufacturer’s discount on covered brand name drugs and the plan will cover another 10%, so you will pay 40% of the negotiated price on brand-name drugs. In addition you pay 51% coinsurance of generic drugs. You generally stay in this phase until the amount of your year-to-date “out-of-pocket costs” reaches \$4,950. “Out of pocket costs” <u>includes</u> what you pay when you fill or refill a prescription for a covered Part D drug and payments made for your drugs by any of the following programs or organizations: “Extra Help” from Medicare; Medicare’s Coverage Gap Discount Program; Indian Health Service; AIDS drug assistance programs; most charities; and most State Pharmaceutical Assistance Programs (SPAPs). Once your “out-of-pocket costs” reach \$4,950 in 2017, you move to the next payment phase (Catastrophic Coverage).</p> <p>If you qualify for extra help this phase doesn’t apply. If you are not eligible for “Extra Help,” call the plan or refer to the Evidence of Coverage, Chapter 6, for outpatient prescription drug cost-sharing information.</p>
<b>Catastrophic Phase</b>	<p>During this payment phase, the plan pays most of the cost for your covered drugs. For each prescription, you pay whichever of these is greater: a payment equal to 5% coinsurance of the drug, or a copayment (\$3.30 for a generic drug or a drug that is treated like a generic, \$8.25 for all other drugs)</p>
<b>Important Info:</b>	<p>Tier 3 includes preferred brand drugs and may include some generic drugs. Brand drugs in this tier are not eligible for exceptions for payment at a lower tier.</p> <p>Tier 4 includes non-preferred brand drugs and may include some generic drugs.</p> <p>Premium, co-pays, co-insurance and deductibles may vary based on the level of Extra Help you receive. Please contact the plan for further details. If you qualify for “Extra Help” with your prescription drug costs, the “Extra Help” program will pay all or part of your monthly plan premium and your prescription drug deductibles and copays/coinsurance. If you are not eligible for Extra Help, refer to the Evidence of Coverage, Chapter 6, for outpatient prescription drug cost-sharing information.</p> <p>We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.</p> <p>You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website at <a href="http://www.healthnet.com/medicare">www.healthnet.com/medicare</a>.</p> <p>You can see our plan’s pharmacy directory at our website at <a href="http://www.healthnet.com/medicare">www.healthnet.com/medicare</a>.</p>
