

5 Things You'll Find at www.healthnet.com

There are so many reasons to set up an account at www.healthnet.com. The site is loaded with resources you'll find useful. Here are just a few of the many things you can do:

1

Learn all about your health plan. All the information you want about your health coverage is available online. View details about your benefits. Watch helpful videos. Find info about out-of-pocket costs. And more.

2

Order ID cards. Need new or replacement cards? Just go to *My Account* and click on *Order my ID card*. Walk through five easy steps and we'll get your cards sent right out to you.

3

Choose or change your doctor. Use your online account to find doctors in the network that comes with your health plan. Just select from the drop-down menu that appears on the *ProviderSearch* button after you log in. Only the doctors in your health plan's network will show up.

4

Use wellness programs. Want to quit smoking? Lose weight? Improve your fitness? Explore a variety of coaching programs you get at no extra cost. You can even track your progress online.

5

Manage your premium payments. You can decide when and how to pay your monthly premiums. It's easy to adjust the settings through your online account. One option is to set up recurring premium payments. They're convenient and automatic. You can even choose the day each month when your premium gets paid as long as your payment is released to us by the first of the month. It's all up to you!
