*¿Qué es el formulario Valor de Bridgeway Health Solutions Medicare Advantage (HMO), Health Net Amber (HMO SNP), Health Net Gold Select (HMO), Health Net Healthy Heart (HMO), Health Net Jade (HMO SNP), Health Net Jade Cardiovascular (HMO SNP), Health Net Ruby (HMO), Health Net Ruby 1 (HMO), Health Net Ruby 4 (HMO), Health Net Ruby Plus (HMO), Health Net Ruby Select (HMO), Health Net Seniority Plus Amber I (HMO SNP), Health Net Seniority Plus Amber II (HMO SNP), Health Net Seniority Plus Amber II Premier (HMO SNP), Health Net Seniority Plus Ruby (HMO), Health Net Seniority Plus Sapphire (HMO SNP), Health Net Seniority Plus Sapphire Premier (HMO SNP), Health Net Violet Option 1 (PPO), Health Net Violet Option 2 (PPO) y Health Net Violet Option 3 (PPO)?*

Un formulario es una lista de medicamentos cubiertos seleccionados por nuestro plan en consulta con un equipo de proveedores de cuidado de la salud, que incluye las terapias que requieren receta médica consideradas como una parte necesaria de un programa de tratamiento de calidad. Por lo general, cubriremos los medicamentos que figuran en nuestro formulario siempre que el medicamento sea necesario a nivel médico, que surta la receta en una farmacia de la red del plan y que se cumplan otras reglas del plan. Para obtener más información sobre cómo surtir sus recetas, consulte su *Evidencia de Cobertura*.

*¿Puede cambiar el formulario (lista de medicamentos)?*

Generalmente, si usted está tomando un medicamento del formulario 2017 que estaba cubierto al comienzo del año, no interrumpiremos ni reduciremos la cobertura de dicho medicamento durante el año de cobertura 2017, excepto cuando un nuevo medicamento genérico, menos costoso, se encuentre disponible o cuando se

divulgue nueva información de efectos adversos sobre la seguridad o la eficacia de un medicamento. Otros tipos de cambios en el formulario, como la eliminación de un medicamento, no afectarán a los afiliados que estén actualmente tomando el medicamento. Continuará estando disponible con el mismo costo compartido para aquellos afiliados que lo estén tomando durante el resto del año de cobertura. Creemos que es importante que usted tenga un acceso continuo durante el resto del año de cobertura a los medicamentos del formulario que estaban disponibles cuando eligió nuestro plan, excepto en los casos en que usted pueda ahorrar dinero adicional o cuando podamos garantizar su seguridad.

Si eliminamos medicamentos de nuestro formulario, agregamos restricciones de autorización previa, límites de cantidad y/o de terapia escalonada para un medicamento o trasladamos un medicamento a un nivel de costo compartido más alto, deberemos notificar sobre el cambio a los afiliados afectados al menos 60 días antes de que el cambio se haga efectivo, o en el momento en que el afiliado solicite una repetición de la receta del medicamento, en cuyo momento el afiliado recibirá un suministro de 60 días del medicamento. Si la Administración de Drogas y Alimentos considera que un medicamento de nuestro formulario no es seguro o si el fabricante del medicamento lo retira del mercado, nosotros retiraremos de inmediato dicho medicamento de nuestro formulario y enviaremos un aviso a los afiliados que lo toman. El formulario que se adjunta tiene vigencia a partir de la fecha del formulario. Para obtener información actualizada sobre los medicamentos que cubre nuestro plan, comuníquese con nosotros. Nuestra información de contacto figura en las páginas del frente y del reverso.

Si realizamos cualquier otro cambio negativo con respecto a un medicamento que esté tomando, se lo informaremos por correo. También publicaremos los cambios en nuestro sitio web.

### *¿Cómo uso el formulario?*

Hay dos maneras de buscar su medicamento en el formulario:

#### **Afección médica**

El formulario comienza en la página 1. Los medicamentos que figuran en este formulario se agrupan en categorías según el tipo de afecciones médicas que traten. Por ejemplo, los medicamentos utilizados para tratar una afección cardíaca se enumeran bajo la categoría “AGENTES CARDIOVASCULARES, VARIOS”. Si usted sabe para qué se usa su medicamento, busque el nombre de la categoría en la lista que comienza en la página 1. Luego busque su medicamento debajo del nombre de la categoría.

#### **Listado alfabético**

Si no está seguro en qué categoría buscar, deberá buscar su medicamento en el Índice que comienza en la página 1 del Índice. El Índice proporciona una lista alfabética de todos los medicamentos que se incluyen en este documento. Tanto los medicamentos de marca como los medicamentos genéricos están enumerados en el Índice. Busque en el Índice y encuentre su medicamento. Junto a su medicamento, verá el número de página en la que podrá encontrar información de la cobertura. Consulte la página que aparece en el Índice y busque el nombre de su medicamento en la primera columna de la lista.

## *¿Qué son los medicamentos genéricos?*

Nuestro plan cubre los medicamentos de marca y los medicamentos genéricos. Un medicamento genérico que, según la Administración de Medicamentos y Alimentos (por sus siglas en inglés, FDA), tiene los mismos principios activos que el medicamento de marca. Por lo general, los medicamentos genéricos son más económicos que los medicamentos de marca.

## *¿Hay alguna restricción en mi cobertura?*

Es posible que algunos medicamentos cubiertos tengan requisitos o límites adicionales en la cobertura. Estos requisitos y límites pueden incluir lo siguiente:

- **Autorización previa:** Nuestro plan exige que usted o su médico obtenga una autorización previa para determinados medicamentos. Esto significa que tendrá que obtener nuestra aprobación antes de surtir sus recetas. Si no obtiene aprobación, es posible que no cubramos el medicamento.
- **Límites de cantidad:** Para determinados medicamentos, nuestro plan limita la cantidad del medicamento que cubriremos. Por ejemplo, nuestro plan proporciona dos tabletas por día por receta para *simvastatin 40 mg*. Esto puede proporcionarse además de un suministro estándar de un mes o tres meses.
- **Terapia escalonada:** En algunos casos, nuestro plan le exige que primero pruebe determinados medicamentos para tratar su afección médica antes de cubrir otro medicamento para esa afección. Por ejemplo, si tanto el medicamento A como el medicamento B tratan su afección médica, posiblemente no cubramos el medicamento B, a menos que usted pruebe primero el medicamento A. Si el medicamento A no es eficaz para usted, entonces cubriremos el medicamento B.

Para averiguar si su medicamento tiene algún requisito o límite adicional, consulte el formulario que comienza en la página 1. También puede visitar nuestro sitio web para obtener más información sobre las restricciones que se aplican a medicamentos cubiertos específicos. Publicamos documentos en línea que explican nuestras restricciones de autorización previa y terapia escalonada. También puede solicitarnos una copia. Nuestra información de contacto, junto con la fecha en que actualizamos por última vez el formulario, aparece en las páginas del frente y del reverso.

Puede pedirnos que hagamos una excepción a estas restricciones o límites o para una lista de otros medicamentos similares que podrían tratar su afección médica. Consulte la sección “¿Cómo solicito una excepción del formulario Valor de Bridgeway Health Solutions Medicare Advantage (HMO), Health Net Amber (HMO SNP), Health Net Gold Select (HMO), Health Net Healthy Heart (HMO), Health Net Jade (HMO SNP), Health Net Jade Cardiovascular (HMO SNP), Health Net Ruby (HMO), Health Net Ruby 1 (HMO), Health Net Ruby 4 (HMO), Health Net Ruby Plus (HMO), Health Net Ruby Select (HMO), Health Net Seniority Plus Amber I (HMO SNP), Health Net Seniority Plus Amber II (HMO SNP), Health Net Seniority Plus Amber II Premier (HMO SNP), Health Net Seniority Plus Ruby (HMO), Health Net Seniority Plus Sapphire (HMO SNP), Health Net Seniority Plus Sapphire Premier (HMO SNP), Health Net Violet Option 1 (PPO), Health Net Violet Option 2 (PPO) y Health Net Violet Option 3 (PPO)?” en la página iv para obtener información sobre cómo solicitar una excepción.

## *¿Qué sucede si mi medicamento no está en el formulario?*

Si su medicamento no está incluido en este formulario (lista de medicamentos cubiertos), primero deberá comunicarse con Servicios al Afiliado y preguntar si su medicamento tiene cobertura.

Si se entera de que nuestro plan no cubre su medicamento, tiene dos opciones:

- Puede solicitar a Servicios al Afiliado una lista de medicamentos similares que cubra nuestro plan. Cuando reciba la lista, muéstresela a su médico y pídale que le recete un medicamento similar que esté cubierto por nuestro plan.
- Puede pedirnos que hagamos una excepción y que cubramos su medicamento. Consulte a continuación para obtener información sobre cómo solicitar una excepción.

*¿Cómo solicito una excepción al formulario Valor de Bridgeway Health Solutions Medicare Advantage (HMO), Health Net Amber (HMO SNP), Health Net Gold Select (HMO), Health Net Healthy Heart (HMO), Health Net Jade (HMO SNP), Health Net Jade Cardiovascular (HMO SNP), Health Net Ruby (HMO), Health Net Ruby 1 (HMO), Health Net Ruby 4 (HMO), Health Net Ruby Plus (HMO), Health Net Ruby Select (HMO), Health Net Seniority Plus Amber I (HMO SNP), Health Net Seniority Plus Amber II (HMO SNP), Health Net Seniority Plus Amber II Premier (HMO SNP), Health Net Seniority Plus Ruby (HMO), Health Net Seniority Plus Sapphire (HMO SNP), Health Net Seniority Plus Sapphire Premier (HMO SNP), Health Net Violet Option 1 (PPO), Health Net Violet Option 2 (PPO) y Health Net Violet Option 3 (PPO)?*

Puede pedirnos que hagamos una excepción a las reglas de nuestra cobertura. Existen varios tipos de excepciones que puede solicitar.

- Nos puede pedir que cubramos un medicamento, aunque no esté en nuestro formulario. Si obtiene aprobación, este medicamento tendrá cobertura con un nivel de costo compartido predeterminado y usted no podrá pedirnos que proporcionemos el medicamento a un nivel de costo compartido más bajo.
- Puede pedirnos que cubramos un medicamento del formulario a un nivel de costo compartido más bajo si este medicamento no está en el nivel de especialidad. Si obtiene la aprobación, esto reduciría la cantidad que usted debe pagar por su medicamento.
- Puede pedirnos que anulemos las restricciones o los límites de la cobertura con respecto a su medicamento. Por ejemplo, para determinados medicamentos, nuestro plan limita la cantidad del medicamento que cubriremos. Si su medicamento tiene un límite de cantidad, puede pedirnos que anulemos dicho límite y que cubramos una cantidad mayor.

Generalmente, solo aprobaremos su solicitud de excepción si los medicamentos alternativos incluidos en el formulario del plan, el medicamento con el costo compartido más bajo o las restricciones adicionales de

utilización no fuesen tan eficaces en el tratamiento de su afección y/o le ocasionaran efectos médicos adversos.

Deberá contactarse con nosotros para pedirnos que tomemos una decisión de cobertura inicial para una excepción del formulario, de nivel o de las restricciones de utilización. **Cuando solicite una excepción del formulario, de nivel o de las restricciones de utilización, deberá enviar una declaración de la persona que receta o de su médico que respalte su solicitud.** Generalmente, debemos tomar una decisión dentro de las 72 horas de haber recibido la declaración de respaldo de la persona que recetó el medicamento. Puede solicitar una excepción acelerada (rápida) si usted o su médico cree que su salud podría verse gravemente perjudicada al esperar las 72 horas para obtener una decisión. Si se otorga su solicitud de excepción acelerada, debemos informarle de la decisión en un lapso de 24 horas como máximo después de haber recibido la declaración de respaldo de su médico u otra persona que recete.

*¿Qué debo hacer antes de hablar con mi médico sobre cambiar de medicamentos o solicitar una excepción?*

Como afiliado nuevo o existente en nuestro plan, es posible que esté tomando medicamentos que no estén en nuestro formulario. O bien, es posible que esté tomando un medicamento que está incluido en nuestro formulario, pero su capacidad para obtenerlo es limitada. Por ejemplo, es posible que necesite nuestra autorización previa antes de que pueda surtir su receta. Le recomendamos que hable con su médico para decidir si debe cambiar a un medicamento adecuado que cubramos o solicitar una excepción del formulario para que le cubramos el medicamento que toma. Mientras determina con su médico la forma de proceder correcta para usted, es posible que cubramos su medicamento en determinados casos durante los primeros 90 días en que sea afiliado de nuestro plan.

Por cada uno de sus medicamentos que no esté en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, cubriremos un suministro temporal para 30 días (a menos que tenga una receta hecha para menos días) cuando vaya a una farmacia de la red. Después de su primer suministro para 30 días, no pagaremos estos medicamentos, aunque haya sido afiliado del plan menos de 90 días.

Si es residente de un centro de atención a largo plazo, le permitiremos que repita su receta hasta que le hayamos proporcionando un suministro de transición para 98 días, que concuerde con el incremento de entrega (a menos que usted tenga una receta hecha por menos días). Cubriremos más de una repetición de estos medicamentos durante los primeros 90 días que sea afiliado de nuestro plan. Si necesita un medicamento que no está en nuestro formulario o si su capacidad para obtener sus medicamentos es limitada, pero ya transcurrieron los primeros 90 días de su membresía en nuestro plan, cubriremos un suministro de emergencia de ese medicamento para 31 días (a menos que tenga una receta hecha para menos días) mientras solicita una excepción del formulario.

#### **Cambios en el nivel de atención**

Si experimenta un cambio en su nivel de atención, cubriremos un suministro de transición de sus medicamentos. Un cambio en el nivel de atención ocurre cuando se le da de alta de un hospital o se le traslada desde o hacia un centro de atención a largo plazo.

- Si usted se traslada de un centro de atención a largo plazo o un hospital y necesita un suministro de transición, cubriremos un suministro para 30 días. Si en su receta se establecen menos días, permitiremos varias repeticiones de recetas hasta alcanzar el total de un suministro para un período de 30 días.
- Si se traslada de su hogar o de un hospital a un centro de atención a largo plazo y necesita un suministro de transición, cubriremos un suministro para 31 días. Si en su receta se establecen menos días, permitiremos varias repeticiones de recetas hasta alcanzar el total de un suministro para un período de 31 días.

Comprendemos que existen otras circunstancias en las que se puede otorgar una anulación. Estas situaciones se tratan según cada caso mediante la comunicación entre la farmacia que provee el medicamento y Health Net.
