

# ABOUT HEALTH NET

Health Net, Inc., a fortune 500 company, is among the nation's largest publicly traded managed health care companies with almost 30 years of health plan experience. The company's health plans and government contracts subsidiaries provide health benefits to over six million individuals across the country through group, individual, Medicare, Medicaid, TRICARE, and Veterans Affairs programs.

Health Net is one of the top ten largest providers of Medicare Advantage (MA) and prescription medication program benefits in the country.<sup>1</sup>

Health Net's behavioral health subsidiary, MHN, provides behavioral health benefits to approximately seven million individuals in all 50 states. Health Net's subsidiaries also offer managed health care products related to prescription medication coverage, managed health care product coordination for multi-region employers, and administrative services for medical groups and self-funded benefits programs.

Health Net, Inc. works hard to provide comprehensive coverage and unmatched service to our customers. Some of our awards and recognition include:

- "Excellent" accreditation status from the National Committee for Quality Assurance (NCQA) for commercial lines of business in Arizona, California, Connecticut, New Jersey, and New York<sup>2</sup>
- #179 on the Fortune 500 list<sup>3</sup>
- #34 with a grade-point average of 3.25 on Barron's 500 List<sup>4</sup>
- Gold-Level Achievement from the American Heart Association's (AHA's) Start! Fit-Friendly Companies Recognition Program<sup>5</sup>
