Cost-sharing means copayments, including coinsurance and deductibles.

² Certain services require prior certification from Health Net. Without prior certification, an additional \$250 is applied. Refer to the Policy for details.

³ Please refer to the Policy for out-of-network reimbursement methodology.

⁴ Copayments or coinsurance paid for in-network services will not apply toward the out-of-pocket maximum for out-of-network providers and coinsurance paid for out-of-network services will not apply toward the out-of-pocket maximum for preferred providers.

⁵ Covered services based on the United States Preventive Services Task Force (USPSTF) grade A and B recommendations; recommendations of the Advisory Committee on Immunization Practices (ACIP) that have been adopted by the Director of the Centers for Disease Control and Prevention (CDC); women's preventive care and screenings provided for in comprehensive guidelines supported by the Health Resources and Services Administration (HRSA); and comprehensive guidelines supported by HRSA for infants, children and adolescents. For more information on generally recommended preventive services, go to www.healthcare.gov. The applicable cost-sharing for preventive care will apply to these services.
